Try and Stop Me

-By BENNETT CERF-

IKE ALL SIX-YEAR-OLDS, Peter abhorred washing, and came to the dinner table one evening with elbows black as pitch. Sent back to the bathroom for repairs, he dawdled there so long that his mother

called, "How are you coming, Pete? Elbows clean yet?"

"Not clean," he called back triumphantly, "but I got them to match.'

The father-to-be had run the entire gamut of emotion in the hospital corridor, and was a veritable wreck when the nurse popped in to tell

him happily, "It's a girl!" "Thank heaven!" gasped the father, with tears streaming down his face.

"Thank heaven my daughter will never have to undergo the torture I've just experienced!"

Nine-year-old Marion, taken by her parents for her first transcontinental rail journey, was thrilled when the train plunged into a long tunnel in the Rockies. When it finally emerged at the other end, Marion exclaimed, "Look, Mom! It's tomorrow!"

Today's miracle medicines make possible speedy recovery from illnesses and infections that a few years ago meant expensive hospitalization and long convalescence. The initial cost of these wonder drugs may seem high, but when measured against fast relief and a speedy return to gainful activity, these drugs represent the biggest bargains in the world. Thanks to them, getting better is surer . . . swifter . . . less costly. And when you have your prescriptions filled here, our fair-price policy further reduces the cost of getting well.

Sterling.

Today's miracle medicines make possible speedy recovery from illnesses and infections that a few years ago meant expensive hospitalization and long convalescence. The initial cost of these wonder drugs may seem high, but when measured against fast relief and a speedy return to gainful activity, these drugs represent the biggest bargains in the world. Thanks to them, getting better is surer . . . swifter . . . less costly. And when you have your prescriptions filled here, our fair-price policy further reduces the cost of getting well.

Obituary

Another leaf has fallen, another Soul has gone; But still we have God's promises in required. Phone 1063 from 9 to 5 every robin's song; he is in His heaven, and though He always leaves to mortals the bright He leaves the fragrant blossoms and

sun's kindly ray.

He leaves the fragrant blossoms and lovely forest green.

And gives us new found comfort, when we on Him will lean.

Lucy Edith Wilkins, daughter of Charles and Emma Wilkins, born June 16, 1893, departed this life April 15, 1957 at the home of her daughter. Mrs. Elsie Wiggins, near Circleville, Ohio, at the age of 63 years, 9 months, 29 days, after a lingering illness of the past three months. All that kind hands, medical skill and the loving care of her loved ones was to no avail. She seemed to have caught the call of her Savior, even from the first of her affiction, so of life, all behind Lucy approached the even tide with the task of a full day well done, calm of serene with a faith anchored secure in a loving Savior's band, angels loosed the moorings to her frail bark, so her spirit glided safely into the home-land harbor. Yes, she came into life's setting sun, and the evening of life stole softly and darkly over her earthly sight. But the face of God shone thru the gloaming, And at eventime there was light.

On October 15, 1912, she was united.

there was light.

On October 15, 1912, she was united in marriage to Nelson H. Garrett. To this happy union the following children came to bless their home. Eight daughters: Mrs. Cora Hart, Mrs. Edith Kneece, Mrs. Mary Kneece of near Laurelville. Ohio. Mrs. Elsie Wiggins. Mrs. Gayle Stump, Mrs. Ruth Walisa of Circleville, Ohio. Mrs. Virginia Wiggins of Amanda, Ohio. Mrs. Esther Gattrell of Columbus, Ohio. Four sons: Ernest of Williamsport. Roy. James, and Robert of Circleville. One son, George Edgar, preceded her in death. In her home-life the beautiful Mother heart and the faithfullness of a true helpmate, endeared her the hearts and lives of all those that touched her life. As a neighbor her coming brought only smiles and sunshine in sickness and bereavement she ministered in peace and quiet, freely sharing what she had. Truly she was a good neighbor and friend Her life was spent in her home always there to guide the foot steps of her children teaching them righteous ways. Not lost are her years as she cared for her children dear. They have grown into lovely woman-hood and stalwart young men have erected homes built around the teaching and love they learned as they woman-hood and stalwart young men have erected homes built around the teaching and love they learned as they played around Mother's fireside with her words of wisdom hidden in each heart. This Husband and father with whom she walked some forty-five years shall cherish her memory as a rare jewel that has shared his life years a helpmate that brought cheer to his home. She leaves to mourn her departure a devoted husband, eight daughters, four sons, thirty-nine grandchildren, one brother, C. B. Wilkins, one sister, Mrs. Sarah Bunn both of Circleville, Ohio, and a host of friends and neighbors in each community where she has lived. The family wishes to express their heartfelt thanks to each one offering their help and kindness in word or deeds and floral offering during the illness and departure of the beloved wife and Mother. To the minister, Rev. Humble, singers, pall-bearers, the Defenbaughs. Deeply appreciated, we shall always remember.

New Liquor Proposals 'Go Too Far'

COLUMBUS (P)-The sponsor of his proposals apparently "go too seum Saturday.

He expressed belief they would 'be put aside" in favor of a resolution calling for a complete study of Ohio liquor laws with recommendations for changes by the Legislature two years hence.

Rep. Albert A. Rogoff (R-Hamilton) said he sponsored the bills at the request of the Ohio Depart- per person. ment of Liquor Control. He said they were designed to correct work hardship in legitimate organ-

One measure would require clubs with a D-4 (private club) license to keep a complete roster of members showing their dues payments and would permit sale of drinks only to card-carrying

Opponents claim the proposed were "to provocative." She wears law would prevent a member's guest from obtaining a drink in the club. But Robert Krupansky, new state liquor director, said no such ban was in the measure.

The director said another bill was aimed at "drinking clubs" operating on a locker system, without buying a liquor license. That measure would ban sale of mix and set-ups for patrons who bring
